The Colossal Copper Collecting Competition Is Back!

Turn Out Your Pockets!

Reach beneath your sofa cushions!

Check under granny's mattress!

See how many copper coins you can find and collect. Bring them to school and put them in your class treasure chest. There is a ***PRIZE*** at the end of the term for the class collecting the largest weight of coppers. Donations should be in school no later than the 7th July. Thank you.

All proceeds to St Mary's PTA to help enhance your child's learning experience. Follow the facebook page to see what PTA funds are providing for school.
