The treasure boxes are ready in each classroom and there will be a treasure chest full of sweets for the class collecting the greatest weight in coppers. See attached poster for further information.

Charity Events – Little Princess Trust

This trust is a charity which supports children with cancer. One of the most important things it does is to supply, free of charge, real hair wigs to children who have sadly lost their hair through the treatment process. These wigs can cost up to £500.

We are very proud to say that Ellie and Daisy from Years 5 & 4 have decided to raise funds for this trust and have planned two events which you may wish to help support. Firstly they will be holding a cake and biscuit sale on the 1st July to raise much needed funds. If you would like to support this event please send in some money with your child; cakes will be about 35p each.

The second event is rather more surprising and some would suggest rather brave! On the 2nd July Ellie and Daisy will be having their long hair cut short and in the process donating their hair to the trust to make the wigs. If you would like to sponsor them for this, the forms can be found in the school office.

Thank you for your support!
