

Word of the Week:

leporine

resembling a rabbit or hare.

Bags to school

Please note that BAGS TO SCHOOL can be brought in next Thursday. Sadly we can only accept them on the day, as we do not have storage space to hold them. If you are having a spring clean this bank holiday, please fill the bags that have been given out and return them on Thursday.

Class Photos

Class photos will be on Wednesday 3rd May - please make sure the children are sparkling for their photos. Thank you!

Office closed – Staff Training

On Thursday 4th May the school office will be closed and on answerphone from 11:00-12:30 due to staff training. We apologise for the inconvenience.

School Loan Box – Houses of Parliament

This week we have received a loan box from parliament to support debates in school. This week Year 5 took part in various debates and learned a lot about the House of Commons and the House of Lords.

E Safety Champions

Each class has nominated an E safety Champion to support our continuing promotion of online safety in each class. This is a crucial role in supporting our children in becoming independent at whatever age, in being safe online and whilst using devices/social media.

Recently one of our children using an Instagram account, had their account hacked and altered as a result. This really is a significant area to keep talking about. Please remember our website has a whole host of materials to support online safety at home.

School Dinners

Please remember to order your school dinners before 1pm on each Friday for the following week – follow the link on our school website.

Year 6 - SATS

Our Year 6 children will be taking SATs on the week beginning 8th May the timetable is as follows:

Monday	Tuesday	Wednesday	Thursday	Friday
Reading (am)	SPAG (am)	Arithmetic (am)	Reasoning 2 (am)	
	Spelling (am)	Reasoning 1 (am)		

I have been very impressed with the attitude to learning of the children, who seem very keen to do their best both in lessons, additional sessions and at home. We are most certainly proud of the children and how well they are trying with complex spellings, maths concepts and grammar which could blow the mind of most adults! Well done everyone for showing perseverance and grit.

PTA – May 4th Film Night

May the 4th be with you!

Please make sure you have booked your children in using the forms sent and available at the school office for this excellent film night.

Governors in School

Jo Gill has been with us throughout the day to chat to parents and to work with our staff and children to see a day in the life of our school. Next Friday various other governors will be in school if you would like to see them. We are calling this a 'Governors day' which will be an annual feature of our school timetable. This will give the governors a hands on experience of our school. They will be looking at 'Behaviour for Learning' throughout the school and how our values are exemplified throughout school.
