

Word of the Week:

Slumberous

MEANING:

Sleepy and drowsy

Congratulations to Mrs Smith

A few months ago, working with various parents from year 5 and 6, an application was put together for Mrs Smith for the **award of 'Primary Teacher of the Year'**. Parents wrote many wonderful comments celebrating her contribution. It was overwhelming to receive these from parents and to be able to pass these on to the Pearson Awards. Today we presented Mrs Smith with a Certificate of Excellence from the Pearson Awards, which we shared in class. Although we will not be going through to the finals in London, we couldn't be more pleased and proud to be able to present her with this award. Congratulations to Mrs Smith and thank you for your wonderful comments and contributions – all of which highlights the impact she makes our children's education journey.

St Peter's Primary School and Neeli (Blue) Mosque - Year 4 Visit.

Our children in Year 4 travelled to Rochdale to work with our friends at St Peter's Primary School. Prior to that we stopped off at the town hall and watched the peregrine falcon chicks which nest in the building. We walked through Rochdale to the Neeli Mosque members of the mosque, shared about Islam, the children dressed up and they had a tour of the Blue (Neeli) Mosque. After this the children had a wonderful time meeting the year 4 children who performed a presentation about the COOP which was founded in Rochdale. We then toured the school before returning home. The Children from St Peter's will be joining us in June which will mean our Year 4 pupils will be preparing to share all about Kirby Lonsdale.

Parking near Booths

I am led to believe that there have been a few issues with the parking arrangement near Booths car park. Just to confirm we have spoken to Mr Flannigan from South Lakes District Council to confirm the access. As a result we now have a note in the office for your cars to ensure you will not be challenged, as has been the case occasionally. If you would like one of these for your car please collect one from the school office.

Congratulations to our Golf and Cricket teams

This week our Year 6 girls played at Burnside Cricket ground in the area cricket tournament. The children played well and just missed being in the final at the end of the tournament. Superb play – well done! We also sent two teams to the Area Golf Tournament held at Kendal Golf Course. Both teams qualified for the next stage which was impressive and one team won the event meaning they will represent the South Lakes in the finals in Carlisle later this summer.

Manchester Incident

Following the tragic events in Manchester, we have spent time with our children discussing the issues, responding to the concerns raised by the children. We also took part in the minute's silence this week. We have taken time to pray for and think about the families and community affected by the incident. Following this, as we have done, it may be appropriate to discuss the reactions to this at your child's level of understanding as the children do seem to have questions about the situation.

at St Mary's Church of England School
