

Word of the Week:

vim

MEANING:

Lively and energetic

Sports Days

A letter has been sent with all of the details for sports day. Importantly please remember children participate in sports day wearing a t shirt representing their house colour. The PTA will be providing refreshments. Some of our children will be selling cakes for Macmillan cancer care during both sports days. Hopefully the weather will be kind to us!

St Peter's Primary School visit to St Mary's

We have had the privilege of hosting our partner school, St Peter's, Rochdale this week who spent the day with our Year 4 children. You will recall we also made a visit to their school before the half term break and this visit has really consolidated our friendship and understanding of our differing communities. It was a fantastic experience.

Fundraising Success

Thank you to Alfie, Finlay, Bertie and Billy Keeler for selling cakes and ice pops on the last day of the half term. The boys raised £70.60 for the British Red Cross Society 'We love Manchester Fund'. Very well done and thank you to all who supported the boys and this very special fund raising event!

Hawse End Residential – Year 6

I have heard such good reports of the many adventures and such amazing behaviour and attitude to the activities of this very special trip. Well done to all of Year 6.

Leighton Moss – Nursery and Reception Visit

Our early years children had a superb time exploring the habitats of Leighton Moss discovering about pond life as well as the bird life at RSPB Leighton Moss.

Viking Tour - York

Year 5 have had the most wonderful experience in York. Staying at the racecourse, we have visited the National railway museum and took part in science workshops and walked the walls of the city of York. We also had a wonderful opportunity to have a guided tour of York Minster, sharing unbelievable details and facts from our guide. Another highlight was a visit from two Viking story tellers who joined us in the evening and shared many tales and facts about Viking life. On our second day we also took part in Viking Dig workshops and visiting the newly refurbished, Jorvik Viking Centre.

Congratulations to our cricket team.

Well done to our Year 4/5 cricket team who played at Casterton this week. They won both of their initial matches to get into the final in which they were narrowly beaten by Austin Friars School. Well done to all who played and to the Captain James L for his excellent leadership. Many thanks to Mrs Neale and Mr Watson who supported the children. It is important to note that the children were playing in an under 11's

tournament so very well done!

Inter School Athletics hosted by Casteron, Sedbergh Prep

We have had superb results at the Inter School Athletics placing 1st and 2nd in our various under 11s and under 10s teams with some superb personal bests and placed children in many of the events. Fielding over 70 children at the event.
