

Word of the Week:

sotto voce

in a low, soft voice so as not to
be overheard

Bastille Day

Year 3 have had a super day last Thursday studying and celebrating France's National Day – Bastille Day. The whole school discussed this event in the morning and Year 3 consumed various French produce during the day. The children in the photograph are shouting 'fromage'.

Liberty, Equality, Fraternity!

Athletics Badges

We have been contacted to say there will be a delay in getting the Year 3 and 4 athletics badges to us as the person concerned with distributing these is currently at the World Para athletics in London. As a result they will arrive in the summer break. We will endeavour to hand these out in the first week back in September. Apologies for the delay.

Year 6 Leavers Service

Drone picture of Year 6 – Monday 17th July

Parents and family members are invited to join us at 9:30am at St Mary's Church to celebrate our children leaving St Mary's. We will be sharing songs, memories and saying goodbye to our wonderful Year 6 children.

School Games

It was wonderful to be able to send a team to Carlisle for the school games. This year our golf team, which originally played at Kendal Golf Course, qualified to get to the games. IN doing so they joined the many other qualifying teams in various sports from around the whole of Cumbria. Well done to the team and many thanks to the parents who were able to support on the day.

School End of Term

- Please remember that we finish at normal time at the end of term (3:10pm or 3:15pm) and there is no after school club. We will be starting the Autumn Term on Monday 4th September.
- School dinner menus will be available after the first week of the holidays. You can order for September over the school break.

End of term productions

A very special thank you to the children who had a wonderful time delivering two wonderful productions, Hansel and Gretel (Infants) and Shakespeare Rocks (Juniors). Both productions were wonderfully attended by so many parents and family members and the children really appreciated your support. Thank you for listening to children rehearsing at home and encouraging them. All of our children who took part seemed to have so much fun performing! Thank you to the staff who put these productions together from set designs, costumes and props and to the staff at QES for their hospitality.

Thursday 20th July

Year 6 Leavers Church Service (9:30am)

End of term – infants 3:10 and juniors 3:15

(no after school club on this day)
