### Easter Activities

Well done to our Year 3 children who performed a fantastic Easter play as part of our Easter service and celebrations. In addition we also had some excellent egg rolling and egg throwing on the final day. Congratulations to the various winners of the Easter egg prizes!

Well done to Mrs Neale and Mr Gorst who won comfortably at the egg throwing!

## Think Tank need your help – Food Bank support

Our children from Think Tank would really value your support in helping us provide regular food supplies for the Kendal food bank. There is a collection pint in the main entrance, children can pop food into the collection tub at any time.

## Amazing Fundraising

Congratulations to Annie who won the Easter hamper. The competition was arranged by the amazing twins, Georgina and Francesca who raised £73.

The girls are passionate about raising funds for the cancer charity and we really want to celebrate their efforts. They worked really hard to promote the competition and share the reasons for raising the funds. Thank you to all who supported the competition. Well done Anne!

## Skiing Success

Well done to James and Joseph who both came 1<sup>st</sup> in their team events during the Easter break at Pendle Ski Club. A super effort – let's hope our school ski team can replicate their success next week!

A note from Mr Jones.

I really hope we have a very positive and what looks to be an exciting term. We have various residential visits taking place, from Rochdale, York and Hawse End as well as day visits and visitors.

In about four weeks our Year 6 children will be taking part in SATS. I have been impressed with the improved confidence of our children as they take part in the additional SATS support groups. These groups in addition to the encouragement of Mr Bromley and the Year 6 staff team, ensure that our children are not placed under pressure during the assessments. They are however equipped and confident – well done year 6 for your continuing hard work and keeping on top of the things that challenge you!

We hope the children have had a good restful and interesting break and are ready for an exciting time, back at school. You may notice on your return, a new shelter area which is being constructed which was started over the holidays. We also hope to have a new learning area built at half term. Watch this space!

We look forward to seeing you back at school.

Mr Jones
