Sun cream each day please!

It is going to be another hot week next week. Can I please ask parents to ensure they put a high factor sun cream on the children each day, which will last for the whole school day.

Year 1 - Blackpool

What an amazing visit Year 1 have had at Blackpool Zoo. The children took part in various workshops and handled some reptiles. I suspect they came across some very scary dinosaurs on their way around the zoo as well.

Big Sing

Thank you to Sedbergh Prep for inviting our Junior children to the Bog Sing this week. Thank you also for supporting the transport costs to enable this to happen. .

Sea Life Centre - Year 2

What a fascinating time Year 2 have been having, visiting the sea life centre at Blackpool.

Visit from St Peter's, Rochdale

This week our friends from Rochdale came to visit our school reciprocating the visit we made earlier this month. The children had a chance to play with each other, explore our school, tour Kirkby Lonsdale and visit our church.

Thank you to Mrs Day, Mr Bromely and especially our Year 4 for organising the recent events and being hospitable to our guests this week. I have been in contact with the head teacher at St Peter's, Mr Whelan, and he noted how pleased he was with our school partnership and how mutually beneficial the visits are for our children.

Author Visit – Jennifer Bell

If this week wasn't exciting enough, our children in Year 6 were kindly invited to join pupils from QES to take part in their author visit. The children had a chance to meet Jennifer Bell and purchase signed copies of her books. Thank you to Thank you to Mrs Holman for the invitation..

Year 2 visit to Church

Year 2 have been visiting church as part of their RE lessons with Mrs Neale.

The children really explored the different areas and parts of the church and had a superb time with Rev. Snow.

Please note ...

- We have had a message from a parent to say that there has been an incident of head lice in school. Please can you check hair please on a regular basis.
- Reminder for milk orders – payments can be made through our online payment system

Times Tables Rocks Competition

You will be aware that Times Tables Rocks has been a superb online app to enable our children to master their times tables. We ask that the children practise at home and they also take part in regular times tables practise in class. Each week we have been rewarding our children for improving their speed and achieving the highest amounts of coins. If your child has not taken part yet we have subscribed for another year so please go on over the next few weeks and during the holidays. Please speak to your child's teacher if your son or daughter is not accessing this and would like to. (Year 3-6)

This week Mrs Gates who has been a great ambassador for this approach to times tables, took three of our children to Bolton to compete against 50 schools. Lily, Felix and James were our fastest times tables rock stars who qualified for the event. Thank you to Mrs Gates for taking the children to the event.

SIAMS Inspection

At some point during the next few weeks we are expecting a SIAMS inspection.

As part of this we will be distributing parent questionnaires to return to Mr Jones via the school office this week. The questions will be as follows:

	Agree strongly	Agree	Neither Agree nor disagree	Disagree	Disagree Strongly
