Our Values: Honesty Trust Responsibility Perseverance Respect

Welcome to St Mary's School

We would like to welcome all of those children and families starting school and over the next week in Nursery and Reception class. It has been lovely to welcome various new pupils into the junior classes in Year 3, 4 and 5.

New for Autumn Term . . .

Starting on the Monday 17th Sept is a 'drop in' which will be based in our new space 'The Shed' which will take place on Mondays from 2:00pm until 3:10/15pm. 'The Shed' is our new room near the Infant yard. This will be a chance to have a tea or a coffee along with cake and meet together. Parents can also join us for assembly time on Mondays if they wish too. Please do come early at 2:00pm if you are picking children up and have a brew.

Drop-In at the Shed

Come and drop-in, have a chat, be listened too, eat some cake and drink some coffee, at the Shed at St. Mary's School.

The Drop-in will be every **Monday** from 2-3.15pm during term-time, beginning **Monday September 17th**.

All **parents, guardians, grandparents and carers** of the children of St Mary's school are welcome to the drop-in.

Westmorland Show (Year 4-6)

Letters will be coming home for permission for our annual visit to the Westmorland Show. Each year we take various classes to the show which takes place on the second Thursday of September. Please can you complete forms to ensure we know the exact places on the transport arranged for the event.

Class Dojo

Year 1-6 various classes are using Class Dojo to reward children and some are using this to communicate with parents. This is a great way to find out what has been happening in school and the rewards your child receives. Class teachers will send out details and passwords if they are using this to share information with parents.

School dinners

Please can you make sure you have booked children's school dinners to ensure your child receives a school meal. Unfortunately if you forget we are unable to provide school dinners and a packed lunch will be needed for the week. Please speak to Mrs Lyall or Mrs Billington if you have a problem with ordering online.

Data Collection

To ensure our records are accurate we ask parents to complete a data sheet with details of contacts etc... Please can you ensure this is accurate and return this before Friday 8th September. Thank you. Please note where possible, an emergency contact should be someone not living at the child's address.
