St Mary's Church of England School, Kirkby Lonsdale

## Paying for Extended Services

A number of our parents use childcare vouchers to pay for their extended services care in school. We thought it may be useful to remind parents about the rules around the use of these schemes. Childcare vouchers are a tax and national insurance saving scheme, and have strict rules around their use. You are only able to use your vouchers to pay for child care. At St. Mary's this means we can accept your voucher payments for any charges relating to Breakfast Club, After School Club and any nursery care additional to your funded entitlement. We cannot accept childcare voucher payments for school trips, workshops in school, milk, uniform etc. You may only make payments for charges relating to your own child, you cannot use your vouchers to pay for a friend or relative's child care costs.

## Drop in – Mondays

If you are available, please come and join Drop in for a cup of coffee or a brew on Mondays from 2:00- 3:15pm in the Shed.

All welcome. Thank you to our volunteers for making the teas, coffees and cakes!

## Job Vacancy

## French Club

We will be discussing the possibility of a French Club over the next few weeks and will let you know as soon as possible what we can do after the Easter break.

## Science Week

Thank you to the various visitors who have helped make Science Week a great success. Mrs Smith has coordinated a wonderful week of STEAM (Science, Technology, Engineering, Art and Maths) activities this week. The children I hope have been inspired and have learned about a new scientist or two as they have taken part in various challenges. From designing boats to rocket launching.....

Have a lovely weekend.
