St Mary's Church of England School, Kirkby Lonsdale

Dear Parents

We have had another interesting week with a visit from Imran Kotwal talking to various classes about his faith. This is a very significant day and today children will have discussed leaving the European Union and explored when Britain entered the EU.

It has been a special day in school with the Spelling Bee taking place today. The children have really worked hard to learn their spellings which will set them up as we move into February.

We are having a Candlemas service on Monday at the end of the day. This is a festival of light. If the children would like to make a 't-light holder' over the weekend and bring it into school on Monday, it will be addition to the worship time.

Honesty Trust Responsibility Perseverance Respect

Spelling Bee

Well done to all of our unbelievable children who had some very tricky spellings to learn and recall for the Spelling Bee.

Places:

	1st	2nd	3rd	4th
