St Mary's Subject Intent Document

Our Curriculum Intent at St Mary's CE School:

To develop a carefully designed, sequential curriculum, underpinned by progressive knowledge and understanding, equipping our children for their future lives. It is aspirational, providing problem solving, challenge and creativity whilst developing character including responsibility, reliability and perseverance. The curriculum ensures the children are able to celebrate uniqueness and diversity and apply their learning to positively impact the local, national and global community.

In order to achieve our Curriculum Intent, we have designed our curriculum around the following **Principles of design**:

- **Core and Progressive knowledge**

Creativity

We design our curriculum to be as creative as possible, inspiring through first hand experiences which are inclusive and meeting the needs of the individual. We aim to learn and think creatively through a broad curriculum which enables all learners to discover, celebrate and nurture their talents.

Challenge

Inclusively, we aim to challenge all pupils through high expectations of behaviour and academic success. Working collectively, supporting one another, our curriculum broadens children's life experiences and enables children to take risks in a supportive environment. Central to this, is building self esteem and encouraging deep thinking, valuing pupil voice and providing rich learning experiences.

Community

Not only do we engage the community in learning, but we encourage sharing learning with the community. We aim to provide a curriculum which establishes a good foundation to enable our children to be inspired to make a difference in the world. Outdoor learning and taking responsibility for the environment is central to this as well as contributing meaningfully to our local, national and global community.

End points of our curriculum:

Principles of design					
Aspiration	PP / SEND / HAPS / EAL	Extended experiences	Subject related careers e.g. how learning is applicable / related to real world situation		
Core Knowledge					
Procedural / Powerful Knowledge (skills)	Literacy / numeracy reinforcing opportunities within subjects	Debate / oracy skills and confidence	Opportunities to grapple with big concepts / ideas	1. Communication 2. Problem solving 3. Resilience 4. Initiative 5. Organisation 6. Teamwork 7. Digital literacy 8. Creativity	
Developing Cultural capital	Student Entitlements (e.g. trips / out of school clubs / residential)	Vocabulary extension and aspiration	Wider reading (stretch & challenge texts)	Engaging with inspirational visits and visiting speakers	School Values: Trust Responsibility Respect Honesty Perseverance
Developing Character	Values being lived out in practice	Excellent behaviour for learning	Attendance and punctuality	Independent study skills	
Creativity	Creative thinking and problem solving skills.				
Identifying and addressing Context specific need Community	Healthy lifestyles (Healthy relationships)	Rural Engagement with Yorkshire Dales and Lake District	Developing Understanding of Diversity within the country and world		
Learning is Sequential	Key themes enhanced by Rosenshine's Principles of Instruction
