

Newsletter #20 - Lent Term

Dear Parents,

Following the recent events in Ukraine, we are mindful that the children are not only aware of the situation but wanting to respond in some way. We have been aware of the children's interest and knowledge about the situation. In our discussions with the children about this, we have made every effort to not heighten anxiety. Equally, various children are wanting to respond and raise money to support the red cross who can channel the funds directly.

Rather than doing a whole school event – as we have had so many events recently, some children are wanting to respond by doing their own fundraising. We have agreed that they can plan and organise these. As a school, we have distributed blue and yellow pipe cleaners, to make bracelets to show their support for Ukraine. Where children feel moved to help, we will do what we can to support their ideas next Tuesday. If you wish, you can support the efforts made by the children by buying some of their produce and craft.

Just a reminder that we have science day next Monday. A reminder that children can dress as space theme i.e. aliens or Stars etc, or a scientist if they'd like. If you can't dress up – please just wear non-uniform. Please can you bring in your plastic bottles if requested by the teacher, to make rockets.

Next week also sees our week of parent consultation appointments which we believe will be a good opportunity to discuss your child's progress. Attendance Texts will be sent out too prior to the meetings.

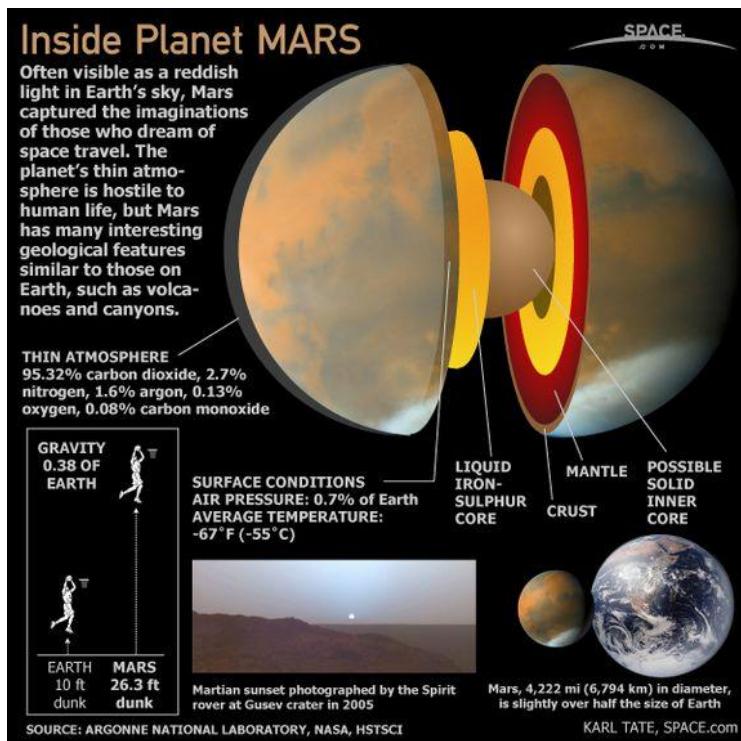

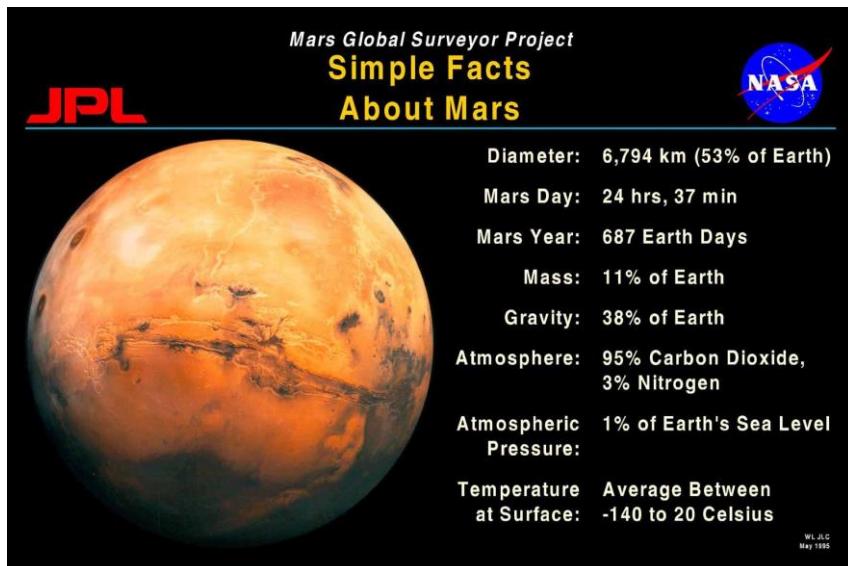

Yours,
Mr Jones

فقط للتذكير بأن لدينا يوم العلم الاثنين المقبل. تذكير بأنه يمكن للأطفال ارتداء الملابس كموضوع فضائي ، أي كائنات فضائية أو نجوم وما إلى ذلك ، أو عالم إذا رغبوا في ذلك. إذا كنت لا تستطيع ارتداء الملابس - من فضلك فقط ارتدي الذي غير الرسمي. من فضلك ، هل يمكنك إحضار الزجاجات البلاستيكية الخاصة بك إذا طلب ذلك من قبل المعلم ، لصنع الصواريخ.

Mr Jones.

Mars Day – Science Day 14th March.

We are very excited to be doing space linked science experiments throughout the day on Monday!
