

Dear Parents,

This week will be the final week of teaching for Mrs Gates who will be starting maternity next week. We wish Mrs Gates and her husband the very best and look forward to her return next year. Miss Broome, who regularly teaches in school, will replace Mrs Gates for the remainder of this term.

We are also pleased to announce two appointments starting in September. Mrs Gaunt will be joining us as the class teacher in Year 1. Mrs Gaunt is currently teaching Y1 at Vicarage Park School in Kendal. We are also pleased to announce that Mrs Arnold will be teaching in Year 5 and 4 next year. Mrs Arnold will replace Mrs Gates and Mrs Neale as class teacher. Mrs Arnold has trained through the Ripley SCITT whilst working at part time at St Mary's for the past three years. We are very excited by these appointments and we know they will make valuable contributions to our children's education.
