

Newsletter #7 – Summer Term

Dear Parents,

As we approach Sunday, I would like to wish Dad's a very happy Father's Day. It is a great privilege and a blessing to be a dad and like Mother's Day, it is lovely to be celebrated. We also have in our thoughts and prayers, the children and parents in our school who have lost their Dads and whose memory remains in your hearts and minds. For many, this is a very special time but we think of those who find this time challenging.

I would like to be indulgent if I may, as I would like to thank the staff who have and continue to work hard to create very special and significant learning opportunities for the children. As headteacher, I don't like to take the effort made by our staff for granted. I am sure you don't too. I have seen and heard many accounts from the staff and children, about the visits such as Hawse End, Borwick Hall etc. as well as the sporting opportunities which have taken place.

I look forward to the Year 3 and 4 visit to Waddecar Activity Centre very soon, which will prove to be transforming and a super memory maker. Residential visits really do create an opportunity to bond socially and cement friendships through shared experiences. When Y6 reflect upon their time in school in the Leavers Service, they nearly always remember a tale from a visit or special event.

We don't take for granted, the work of the PTA, who fundraise to support the children in school. Please do continue to support the work they do and thank you for your generosity already. I hope that you can take part and come along to the PTA Summer Fair on **Friday 8th July at 4pm.**

Next week we are looking forward to Sports Day and weather permitting, we hope you will join us and bring a picnic blanket, chair and picnic to enjoy the morning or/and afternoon.

Apologies – I mentioned in the newsletter last week that Juniors wear white T shirts. I was wrong. Children, should wear a T shirt, the same colour as their house. Apologies for the confusion.
