#002

09/09/2022

09.09.22

We are all deeply saddened by the death of Queen Elizabeth II and we send our deepest sympathies to the His Majesty the King and the Royal Family.

Queen Elizabeth has been an inspiration to us all in her dedication to public service for 70 years. Indeed, she will continue to be so as we hold her in our hearts and learn from her unwavering strength, dignity and sense of duty. The news of her death does seem hard to believe after Year 1 were so delighted to receive a letter from Her Late Majesty on Monday.

Today, all of our children wrote directly to His Majesty, King Charles III, to offer their sincere condolences and their thoughts about Her Late Majesty. We are collating these and producing a book of condolence from St Mary's CE School. This afternoon, we held a short time of worship and participated in a moment of reflection thinking about the life of Her Late Majesty.

As a school, we will of course observe the 10 days of mourning. At this point the school will remain open as normal during this period, unless advised otherwise by the Department for Education.

May Her Late Majesty, Queen Elizabeth II rest in peace and rise in glory.

Brian Jones

## Head Boy and Head Girl and Deputies

This week our Year 6 children have been preparing speeches as part of the voting process for elections of Head Boy and Girl. We were very impressed with those who took part, presenting so well and articulately.

Following the election, I am pleased to announce that the following children have been elected:

<b>Harry Mason</b>	<b>Head Boy</b>
<b>Talia John</b>	<b>Head Girl</b>
<b>George Stacey</b>	<b>Deputy Head Boy</b>
<b>Ivy Gill</b>	<b>Deputy Head Girl</b>

Congratulations to all of the children who took part and especially our new Head and Deputy Girls /Boys.

## Home Learning Projects

This week, you should have received details of the Home Learning Projects for this term. If you are new to school, our children receive a list of five options to choose from. This project will support the children's learning in their Geography or History Topic for this half term. On October 3<sup>rd</sup> the children all bring the projects to their class and present them to their friends. With this in mind, please encourage the children to be as independent as possible.

All the children who take part will receive a house point to contribute to their House Points Score for the week. This is a super opportunity to build the children's confidence and prepare the children longer term, for the skills they will need in future life.

We hope you all enjoy exploring which project to do and have learning in the process.

## Westmorland Show Visit

Despite finding out about the sadness of the Late Queen's death at the end of the day, our children had a superb visit to the Westmorland Show. The weather for day two was significantly wetter than day one, however we were so pleased to be able to attend. It was a superb way to celebrate our local traditions and for some, it was a real eye opener into our agricultural heritage!

We look forward to attending next year. Please see our Instagram account for pictures of the day.
