## European Day of Languages – MONDAY 26<sup>th</sup> September

Dear Parents,

For many years now, we have celebrated European Day of Languages to widen our children's knowledge of various countries and languages. This supports their geographical, cultural and linguistic knowledge.

As part of the day we encourage children to come in the colours of the country's flag or if they already have something, traditional clothing. During the day, we will be exploring the foods, culture and learning about life in that country. It proves to be a very exciting day!

The countries the children will be learning about are as follows:

YN	YR	Y1	Y2	Y3	Y4	Y5	Y6
Germany	Germany	Scotland	Wales	France	Greece	Spain	Belgium

Please look up the flag together and where the countries are in preparation for dressing up and getting ready for the day.

## Rugby Training

Rugby Training starts this week with Danny Harper in Rugby Club for this half term. Club starts on Thursday and is limited to 20 places. This club is for Junior pupils. Shin pads and mouth guards should be worn.

The club will run until half term and we will look to letting another group take part and/or explore another sport.
