Nurturing creative thinkers

Dear Parents and all members of our school community,

Thank you for your responses to our request to talk about your work. We are going to be very busy! It is really exciting to have a diverse range of job roles to share.

In addition we have the Headteacher of Amasango Career School in South Africa joining us this week.

Photos

Just to say we have now had to move our Photo day from this Wednesday to 18th November.

Drop-in

Come and drop-in, have a chat, be listened too, eat some cake and drink some coffee, at the Family Room in St. Mary's School.

We are here to listen.

The Drop-in will be every Monday from 2-3pm during term-time, beginning Monday 3rd October 2022.

All parents, guardians, grandparents and carers of the children of St Mary's school are welcome to the Drop-in.

For more information contact Lol Wood, Family Project Leader of the Churches in Lunesdale: lol@cilfamilyproject.org or 07413689311

Remember this will be starting in the Family Room on Monday – all welcome!

Love of Books

It is National Libraries Week!

We have a super collection of books in school, but we know the experience of visiting the library can be exciting and memorable for the children. If you haven't visited the library yourself, we are promoting the opening times for the library to support our library and encourage everyone in our community to visit Kirkby Lonsdale Library soon.

Thank you to everyone who returned their summer library books to the library.

Opening times

Tuesday: 1.30pm to 5pm,
5.30pm to 7pm

Thursday: 9.30am to
12.30pm and 1.30pm to
5pm

Friday: 1.30pm to 5pm

Saturday: 10am to
12.30pm

Scarlet Fever

Dear Parents, there has been a notable increase in Scarlet Fever in the North West Area.

Signs and symptoms of scarlet fever Scarlet fever is a common childhood infection caused by Streptococcus pyogenes, or group A streptococcus (GAS). The early symptoms of scarlet fever include sore throat, headache, fever, nausea and vomiting. After 12 to 48 hours the characteristic red, pinhead rash develops, typically first appearing on the chest and stomach, then rapidly spreading to other parts of the body, and giving the skin a sandpaper-like texture. The scarlet rash may be harder to spot on darker skin, although the 'sandpaper' feel should be present. Patients typically have flushed cheeks and pallor around the mouth. This may be accompanied by a 'strawberry tongue'. As the child improves peeling of the skin can occur.

Actions to take

- Children and adults with suspected scarlet fever should not attend nursery / school / work until 24 hours after starting appropriate antibiotic treatment.
- Whilst scarlet fever is circulating it is important that any children and adults with chickenpox do stay off school or nursery until all their blisters have dried over, which is usually 5 days after they first appeared.

Koboca – Please can all parents complete this...

You will have seen in an email, that each year we ask every parent to complete the form below. Which is an invaluable survey about pupil well-being and physical activity. Follow this link to complete if you can...
