Dates for your diary.

Thank you for booking dates/times to speak to your child's teacher this week. Below are dates that you might find helpful throughout this term. We will be sending a final version of this out this week on paper for you to keep and refer to. We hope this will help you as we have quite a busy half term coming up.

Parent/Guardian Name Signature

Phone Number Email

Other information such as medical Conditions/Allergies

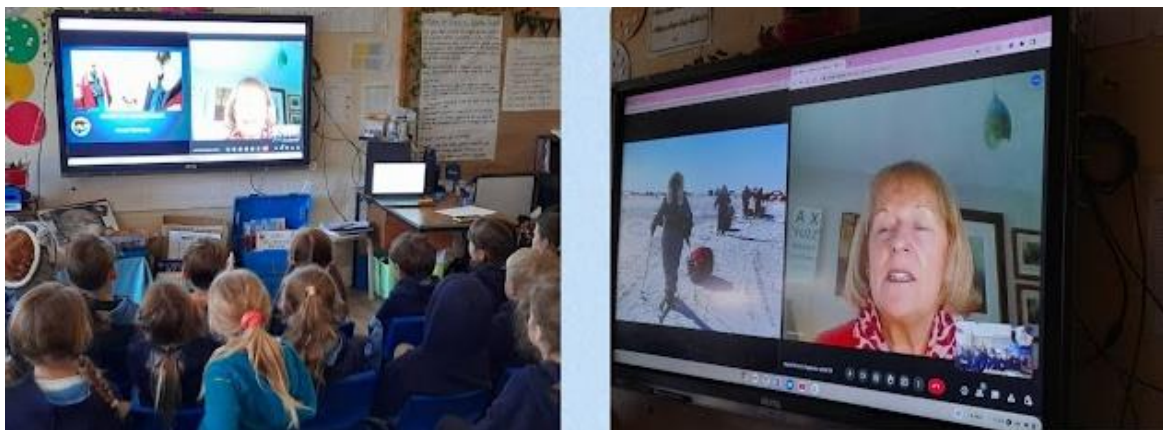

We are continually seeking to develop our school grounds and our school building. During half term, we continued our plan to make our school more environmentally friendly. With this in mind we converted more of our school lights to LED lighting. In addition, we have had various plumbing works completed and taps replaced in Reception and Nursery Class. You will also have noticed some new fencing on the infant yard and the nursery area now has new hand rails in the play area.

In January, Cool Canvas will be building a new landscaped area in nursery and Year 1. We are really looking forward to these new developments which will provide even more exciting learning spaces for our children.

This week, we were privileged to be able to welcome visitors from Kenya who toured our school to see how we educate our children.

Also, this week we funded a very inspiring online meeting with polar explorer Helen Richards who spoke to our Year 2 children. She really excited and interested the children about their Geography topic.

Please do watch out for more information coming soon about the PTA Disco and Christmas Fair. The PTA have raised and shared so much to enrich our children's learning experience. This week our Reading Ambassadors collated books they would like to buy through some very generous funding from the PTA.

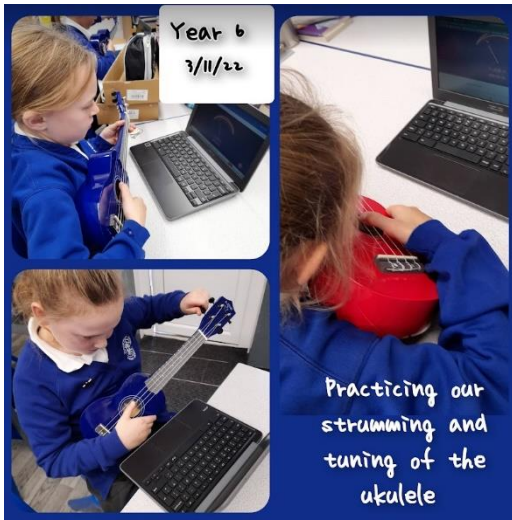

If you are finding the current cost of living crisis impacting significantly on your family, perhaps you might find the community cupboard helpful. Please do get in touch and see how you can be supported.
